

Rainbow Centre Singapore is committed to enhancing the quality of life of children and youths with special needs through education and training to enable them to achieve their fullest potential. If you share our passion, we invite you to join us to make a real difference in the lives of our students and their families.

## CARE FACILITATOR

The **Care Facilitator** is responsible for the provision of quality care, learning opportunities and meaningful engagement for students to support their life skills development and enhance their accessibility to community resources.

### Key responsibilities:

- a) Participate in the development of student's Individual Care Plan by monitoring, observing and recording student's progress to provide data for appropriate individualised care and learning outcomes.
- b) Prepare learning materials and learning environments that utilize materials, resources and technology in ways appropriate to the content area.
- c) Work with stakeholders and community partners to contextualize and generalize learning and engagement at home and community.
- d) Work as a team to ensure student integration of skills and learning in activities.

### Requirements:

- a) Minimum 3 "O" Levels or partial "A" Level or Fresh NITEC with pass in English.
- b) Experience working with students with disabilities is preferred. Experience working in a student care setting will be an advantage.

**This position is open to Singaporeans and Permanent Residents Only.** Qualified and interested candidates are invited to email or send your résumé, duly completed Job Application Form together with copies of your Educational Certificates and Transcripts to:
