

Rainbow Centre Singapore is committed to enhancing the quality of life of children and youths with special needs through education and training to enable them to achieve their fullest potential. If you share our passion, we invite you to join us to make a real difference in the lives of our students and their families.

SENIOR CARE FACILITATOR

The Senior Care Facilitator is responsible for leading a team of Care Facilitators in the planning, delivery, and evaluation of care and learning for the students, and in its close collaboration with interns, volunteers, caregivers and other key stakeholders. The post-holder will model quality facilitation, care and teaching, and promotes continuous growth in the team through guiding Care Mentors towards excellence in practices in programme delivery and assessment for student learning and care.

Key responsibilities:

- a) Lead and guide the team in assessing the care and learning needs of the students and develop programme activities to address these needs of the students.
- b) Evaluate and monitor effectiveness of programme & activity delivery.
- c) Organize the environment to meet physical, sensory, intellectual and/or developmental impairments of students and to maximize learning.
- d) Plan and actively collaborate with teams and other partners, parents and caregivers, external collaborators, and professional experts for effective planning and execution of care plans and appropriate strategies for the students.

Requirements:

- a) Degree or Diploma holder, preferably in related domain.
- b) At least 6 years' experience teaching and/or working with students with disabilities.
- c) Demonstrated ability to lead.
- d) Experience working in a student care setting preferred.

This position is open to Singaporeans and Permanent Residents Only. Qualified and interested candidates are invited to email or send your résumé, duly completed Job Application Form together with copies of your Educational Certificates and Transcripts to:
