Rainbow Centre celebrates 20 years of making a difference

Singapore, 15 September 2012 -- Rainbow Centre today celebrated its 20 years of making a difference with special education at its Yishun-Park campus with Guest of Honour, Prime Minister Lee Hsien Loong.

Joining the Prime Minister were participants of the 2-kilometre walk which included children and staff of Rainbow Centre, caregivers, friends and supporters of Rainbow Centre.

The theme of the walk "TowaRds InClusion – Celebrating 20 years of Reaching Out & Collaboration" is part of Rainbow Centre's efforts to foster a cohesive and inclusive environment for the children and the society. As a voluntary organization, Rainbow Centre continually requires support and assistance of the government and the community. The walk is to raise funds for the Early Intervention Programmes for Infants & Young Children (EIPIC).

Mrs June Tham-Toh Syn Yuen, Executive Director of Rainbow Centre, Singapore said, "It is a significant milestone for Rainbow Centre and we would like to take this opportunity to thank all our supporters who have stood by us throughout the years as well as celebrate the momentous occasion with the Rainbow family. The EIPIC Programme is seeing a demand for expansion and we hope to raise funds to support the programme through this event."

Mr Yew Teng Leong, President of Rainbow Centre Singapore said, "We are grateful to supporters of Rainbow Centre and look forward to more collaboration with our partners to help the children benefit from our programmes."
