

Are you keen to Pod?

Come hold your events and meetings at **The Pod**, Rainbow Centre's space for collaboration. It's FREE¹!

The Pod is Rainbow Centre's development and innovation hub that hosts spaces for training and service development.

Why The Pod?

Modern setting, decked out with comfortable furniture, and plenty of natural light and space to unleash the creativity in you. Designed to engage and inspire.

Our 3 rooms² accommodate between 15 and 45 people! Excellent for training, off-site team building, breakout sessions, and department or board meetings.

It's also the home of Rainbow Centre Training & Consultancy (RCTC).

But First, Coffee

Seeds Cafe serves quality coffee and finger food, while providing F&B training opportunities for our students and social opportunities for the community and persons with disabilities. Our RC Canteen, run by a student's parent, provides meals and more learning opportunities for students.

With a wide spread on our reasonably priced menus, we keep your stomach fuelled as you enjoy the space at **The Pod**.

And the bonus?

We'd be happy to share with you about what RCTC does, the community we serve, and anything you want to know about us. Just ask!

So hold your event here and work with us to build a more inclusive society.
