
Hold Your Events at Seeds Café, Rainbow Centre

Chic space, good coffee, great people

Seeds Café serves quality coffee and light meals, while providing F&B training opportunities for young persons with disabilities, as well as a social space for an inclusive community. It is where young people with different abilities can grow, and where all of us can better appreciate people as unique individuals through authentic and meaningful interactions.

Use of the space at Seeds Café is free, with catering from Seeds Café.

While at Rainbow Centre, we will also be happy to share with you about our work and the community that we serve. Just let us know.

Hold your event here and work with us to build a more inclusive society.
